THE KNIGHT

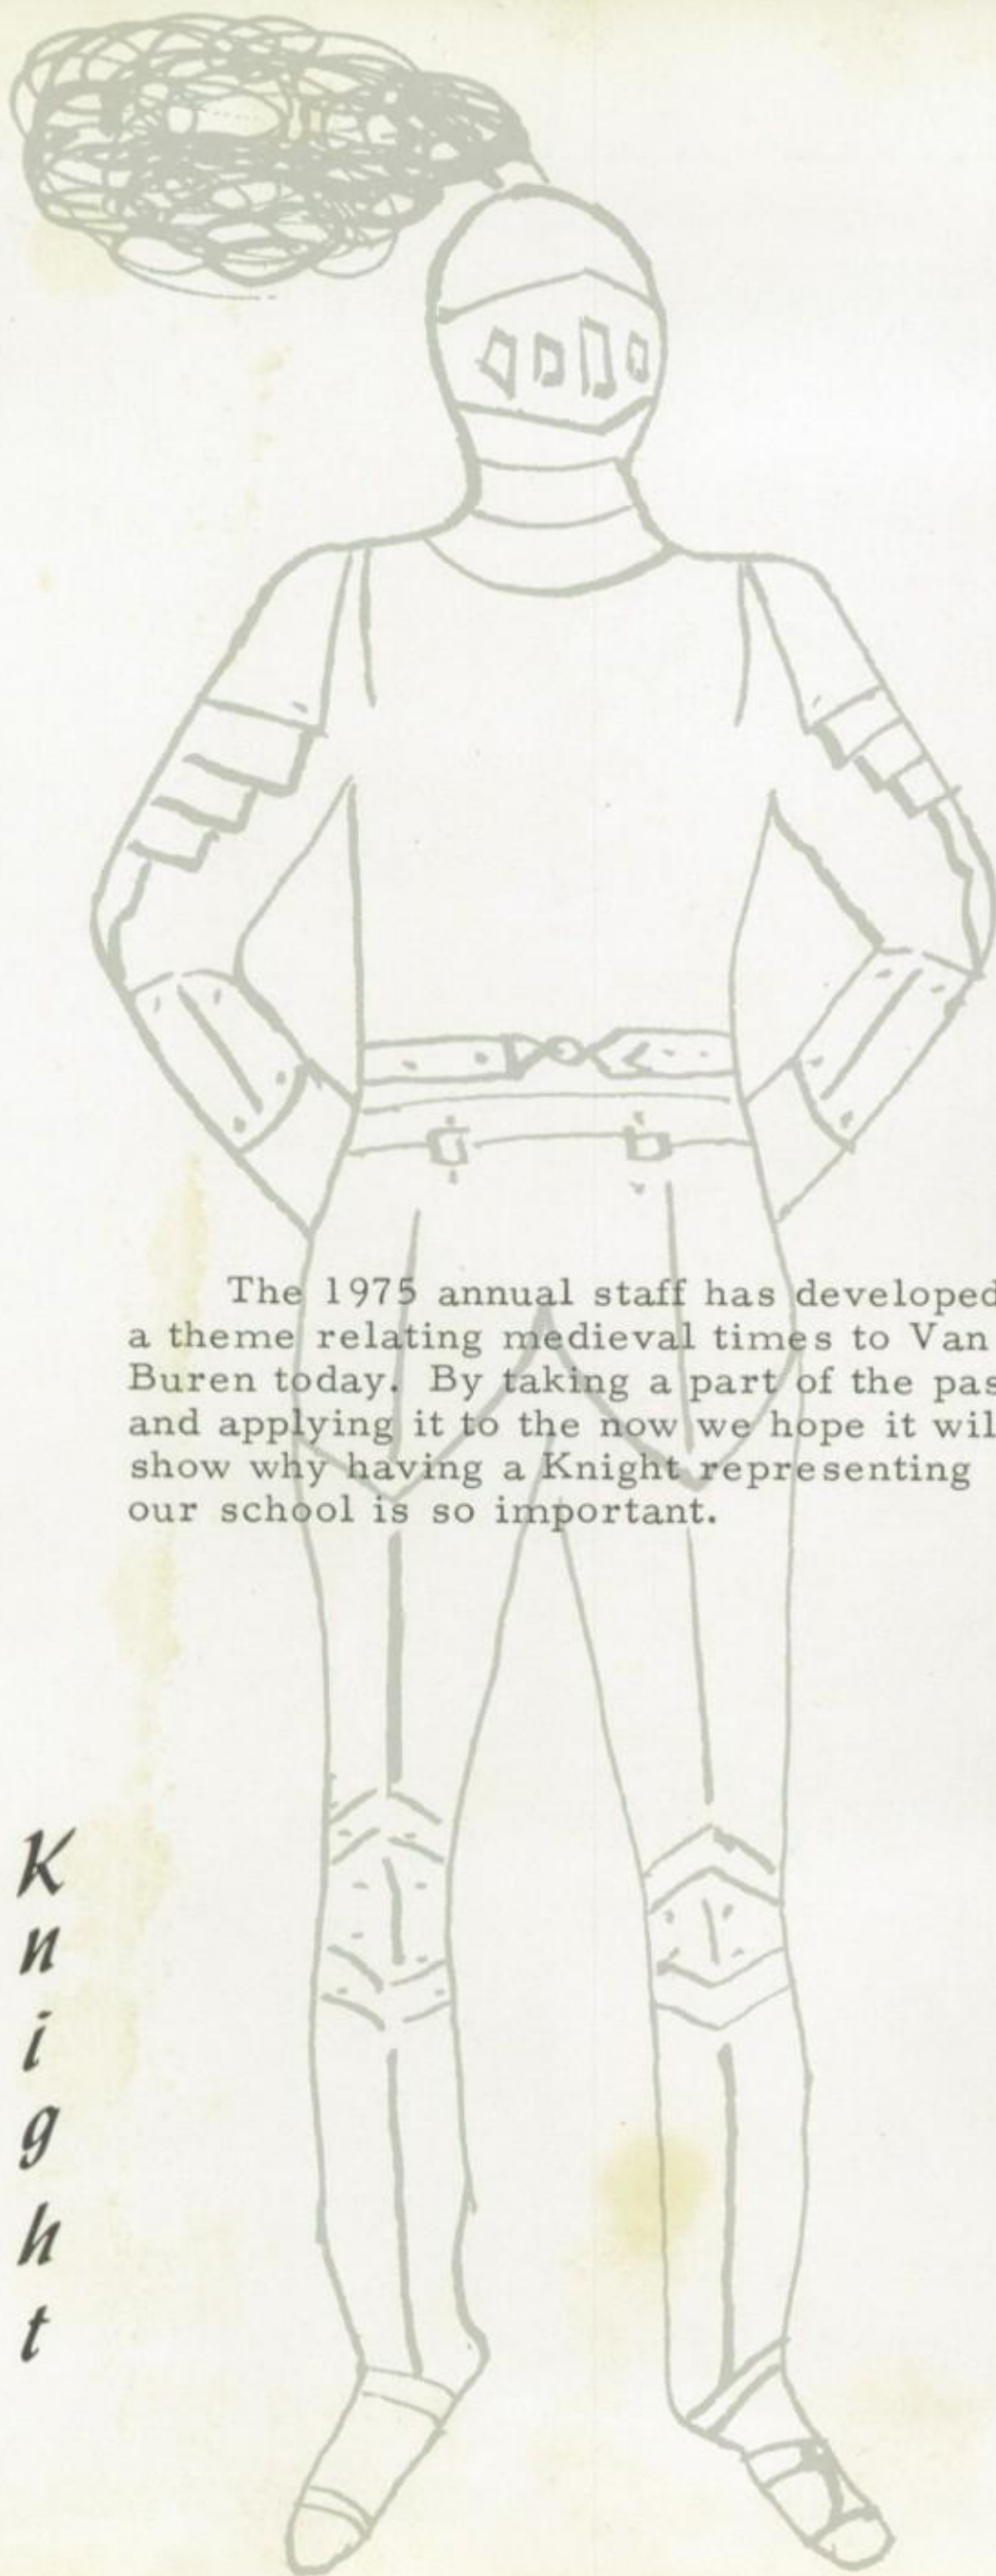

The

1975

Knight

The 1975 annual staff has developed a theme relating medieval times to Van Buren today. By taking a part of the past and applying it to the now we hope it will show why having a Knight representing our school is so important.

In Memoriam Terry Lentz, 1957 - 1974

Lingering still, never to leave
our minds and hearts.
Tragic.
Shock entwined with solace
in the mention of the plan.
Far in the distance--
a revving car;
laughter of male voices; or
just a quiet, unspeaking smile.
Peace in knowing memories don't die--
Remember when. . .

Going into battle, padded like their medieval counterparts, our Knights compiled a 2-8 record. Playing excellent ball against McComb and Vanlue we ignited great enthusiasm which we hope will carry over to future years. The season was certainly a success from the standpoint of our players, new coaches, and anyone connected with the program.

The Black Knights were plagued again by the lack of wrestlers in the heavier weight classes. Consequently, we forfeited two or three weights a match.

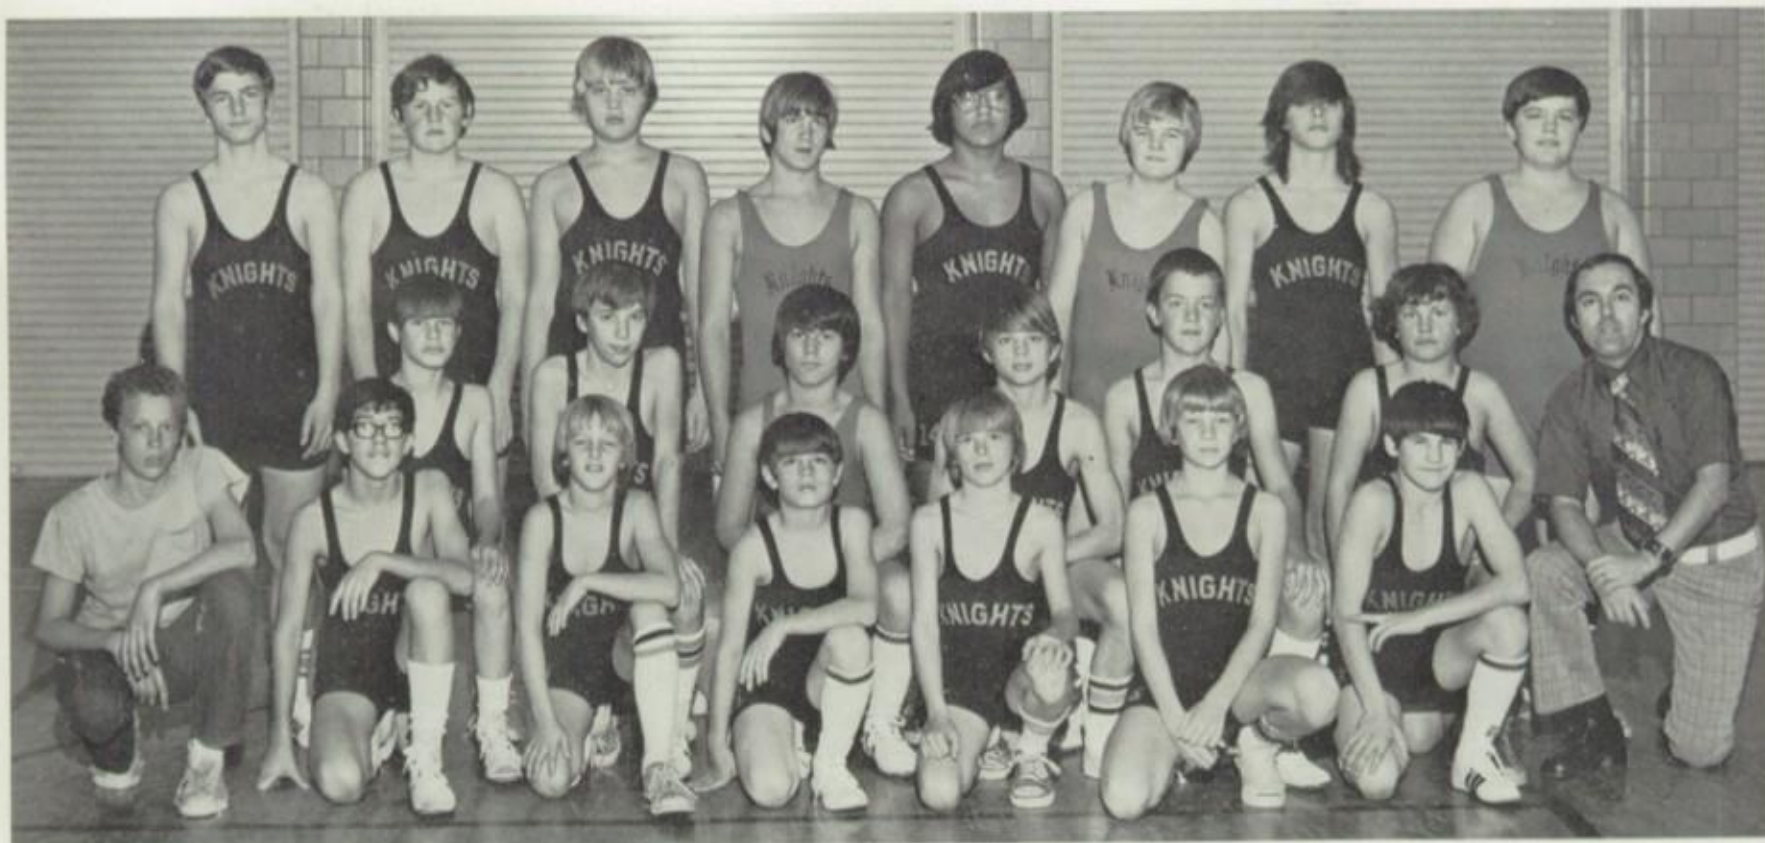

The varsity established a 4-6 dual meet record and the freshman team was undefeated. The freshmen beat Tiffen East, Tiffin West, Glenwood and Central Junior High Schools.

We lose two seniors this year whom we will surely miss. Brent and Mike have provided the team with fine leadership. They have established a good example for the younger wrestlers to follow.

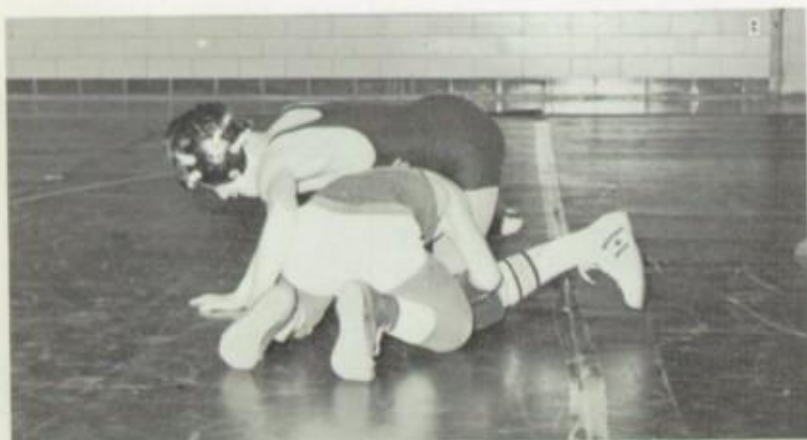

Our school can be proud of their wrestlers. As we reflect upon our successes, let's remember these young men who learned, early in their career, some of life's greatest lessons.

This year's golf team fared fairly well after some changes this year. They had only Sophomores and Freshmen since the sport was moved to the fall and many other candidates played football. Dave Fellbaum was the medalist for the year and we wish these Knight golfers more and better success in future years.

The Student Council is a student government organization made up of representatives from the classes and several organizations. The Council's money-making project this year was a magazine drive, in which the Eighth Grade won a ten-speed bike from the Council for being the highest class in sales. The Council also participated in an A. F. S. weekend and dance in October. This year the Council sent Howard Ohler, Sherri Baker, Cheryl Fennell, and Todd Householder to Student Council Camp at Ohio Northern. The Council also experimented with an intramural program for the noon hour. The Council was in charge of Homecoming Game festivities again this year. In April the Council sponsored the All-School Party for all the students of Van Buren High School.

A. F. S.

Van Buren's 1974-75 A. F. S. representative was Laura Granville. Laura left in July for Sverige, Sweden where she spent her first six months on a farm. The following six months she lived with a family in a suburb of Stockholm. She claimed that her most difficult time was learning the language. The highlights of her visit were viewing the northern lights, being present at the Nobel Peace Prize awarding, and meeting the king of Sweden. Laura enjoyed expressing her philosophies in poetry, which we really missed this year.

"My first impression of Van Buren High School was the friendly relationship between pupils and teachers. I liked the spirit the whole school was showing when something important happened. All the people really tried to communicate with me and tolerate me, although I know some people, who gave me a hard time, (like Don Straley and the whole Physics bunch). I also admired the dedication of most of the people; (the moral dedication as well as studying). My favorite subject is skipping study hall, and I thank Mr. Cooper for writing me so many excuses. I want to mention Mr. Baughman and the difference of an informal class. I just want to say thanks to all of you. I'll never forget Van Buren High School."

Richard Cervinka
